Ml File No 174 of 1928

Serial No 1

1 L C resolution No 80 from Mr D S Mallappa recommending to Government that the privilege of electing non-official Presidents be immediately conferred on both the premier Cities of the State viz Bangalore and Mysore

It is not clear from the resolution whether President should be one elected by the Councillors or by the general body of voters

The Bangalore City Municipal Council had already recommended in Dec 1926 that the election of their President should be thrown open to the general body of voters This was however turned down

The privilege of electing the President from among the Councillors was recently withdrawn temporarily in the case of Bangalore City

In the case of Mysore City, a similar resolution had been brought forward from the same member in the Legislative Council of March 1928 This was admitted but opposed.

Mr D S Mallappa has brought forward another resolution for the ensuing L C recommending that the privilege of electing a President from among the members of the boards be granted to all the District Boards Messrs D H Chandrasekharaiah and G - . Chennappa have also brought forward the same resolution and they further request for privilege of the election of non-official Presidents to Town Municipal Councils

The privilege of electing non-official Presidents among the members of the respective Boards has been granted to the District Boards of Bangalore
